SEDEX 2022

The 24th Semiconductor Exhibition

Semiconductor Exhibition (SEDEX) is the premier annual exhibition of semiconductors which will take place at COEX from October 5 to 7, 2022. It has served as the leading business event for the supply chain of the Korean Semiconductor Industry with key players and innovation leaders. The exhibition highlights the opportunity inspiring the next advancement in semiconductor technologies and solutions. SEDEX encompasses all areas of the semiconductor business covering product companies, integrated device manufacturers, equipment manufacturers, foundry, packaging and assembly, test houses and IP vendors. Learn the latest trends of semiconductor technologies and products at this outstanding industry gathering. Don't miss your chance to take part in SEDEX 2022!

Event	The 24 th Semiconductor Exhibition(SEDEX 2022)
Venue	COEX Hall C & D
Area	13,984m ²
Dates	October 5 (Wed) ~ 7 (Fri), 2022
Organizer	KSIA
Exhibits	Memory, SoC, IC design, Analog, Logic, CIS, Equipment, Components, Materials, Automation, Processing Technologies, etc.
Visitor	30,000 industry professionals, visitors from Samsung Electronics, SKhynix, and other global manufacturers

The No.1 Specialized Exhibition of Semiconductors

- Generate new business leads through the market-leading communication platform that covers the full range of semiconductor value chain.
- Engage face-to-face with qualified international buyers from China, Taiwan, Japan and US and partners of the Korea semiconductor industry
- Network with trusted suppliers within your relevant supply chain

Support Programs for SEDEX Exhibitors & Partners

-  **Special business matching program between buyers and suppliers**
 - 1:1 Biz Meeting between IDM and Equipment/Material companies
 - 1:1 Biz Meeting between System Semiconductor and Fabless companies
-  **Powerful platform to network, exchange ideas and do business**
 - Promotion and marketing opportunities to demonstrate new technology and products to targeted audiences
-  **2022 Semiconductor Biz & Tech Conference**
 - SEDEX Keynote
 - IP-SoC Design Conference(Foundry, IP, EDA, Packaging)
 - Tech & Market Trend Seminar, IR Conference
